**Public Comments**

Viki Narancich presented to the board asking the board to use the pool for Parents As Teachers could do the Mommy and Me swimming again this year. The board agreed this would be fine. She plans to do them twice a month the 1<sup>st</sup> and 3<sup>rd</sup> Friday's.

**EK 5K-** Stetson reported it went great. No fun run because there were no kids to participate. We didn't have many volunteers; in the future we need more volunteers for events.

**Pool Renaming Recap-** The ceremony went great! Heard lots of good things and the family was pleased. Will work on changing the name of the Facebook page to reflect the new name.

**Pool-** Robbie mentioned the pool rates are staying the same this year.

Pool was filled. There were a few chemical issues. Robbie has a call into West Port to try and get the problem figured out.

**Tball/Tossball-** We are hosting lots of games for the older kid's league. Robbie mentioned putting up some temporary tball/tossball fields at Tuttle's due to field space. The board agreed this would be fine. He plans to put up two fields to play on. We are good on coaches as well.

**Park Maintenance-** New employee starting soon to help at gold course. This should help free up Robbie some.

**Gold Course-** Irrigation Pump at the course is still having issues. Pump is not pushing enough water out.

**Swim Team-** Sign ups are currently live and ready.

**Reports-** Directors/Financial report were tabled until our next meeting.

PJ Murray made a motion to adjourn the meeting. Jake Brookshire seconded the motion. Motion passed by all who were present.
